

BE AWARE ON THE GOLDEN WEEK HOLIDAY

PREVENTION MEASURES FOR THE PROPAGATION OF CORONA VIRUS

Based on the law of special measures to COVID-19. Prevention measures are being implemented. We would like to ask for your cooperation in preventing the spread of this infection.

Period of implementation of priority measures	Area where priority measures will be implemented
2021/4/5 to 2021/5/5	Prefecture of Miyagi, Prefecture of Osaka, Prefecture of Hyogo
2021/4/12 to 2021/5/11	Tóquio
2021/4/12 to 2021/5/5	Prefecture of Kyoto, Prefecture of Okinawa
2021/4/20 to 2021/5/11	Prefecture of Saitama, Prefecture of Kanagawa, Prefecture of Chiba, Prefecture of Aichi

- ✓ Avoid crowds
- ✓ Avoid public places like restaurants and entertainment venues
- ✓ Stay on preventive measures
- ✓ Avoid meeting with friends
- ✓ Always aware of your health even after you get home
- ✓ Avoid going out unnecessarily (avoid moving between cities)

As for basic infection prevention measures for individuals, avoiding three diseases (especially five high-risk situations), wearing a mask and washing hands are still effective, even for mutant strains. We would like to ask for your cooperation in infection prevention measures.
